### Joining Yellow Stonehouse Farm

Local community members will “share in the harvest” by paying a CSA share membership pledge fee up front to cover annual expenses. In return, members collect a share of freshly grown local produce and additional pick-your-own crops as available. Shareholders are partners with the farmer in growing food for the community.

**SUSTAINABLE ORGANIC AGRICULTURE:** At Yellow Stonehouse Farm, we are committed to growing food organically and in ways that care for and protect the total ecosystem: its flora and fauna, cropland, hedge rows, woods, rivers and streams. We care for all the aspects of the farm and the endangered species that live on it. Through balanced crop rotations, strict composting and cover cropping, we work to preserve and protect important land for future generations. As a USDA Certified Organic Farm, we follow Organic practices, and do not spray chemical fertilizers, herbicides, or insecticides.

**PICK-UP SCHEDULE:** For the Harvest CSA, members will pick-up their share of vegetables **Friday 3pm to 6:30pm**, or **Saturday 9 am to 1 pm** weekly or bi-weekly during September or October or Monthly from November to February on the following Friday’s and Saturdays: Nov. 22<sup>nd</sup> & 23<sup>rd</sup>, Dec. 20<sup>th</sup> & 21<sup>st</sup>, Jan. 10<sup>th</sup> & 11<sup>th</sup> and Feb. 1<sup>st</sup> & 2<sup>nd</sup>.

Shares not picked up on the selected day and for which no arrangements have been made, may be donated to local area charities or groups.

### CSA GENERAL RULES

- All Shares provide a full distribution of the produce available for that month.
- Pickups are on the designated day you selected. If you cannot pickup on your day, you can change to another day by emailing YSF at least one day prior to your pickup.
- Children are always welcome but must be supervised.
- Farm is closed on Sunday & Monday, and the farm store may be open Wed. through Saturday.
- All dogs must be on a leash and are not allowed in gardens.
- There are no Shareholder Membership Cancellations after September 1<sup>st</sup>, 2019.
- **MAY I SHARE A SHARE? Every adult in the household is considered a member of the farm.** People from two households may join the farm together and take turns picking up their share of food, provided they have paid the administrative split Sharing Fee. They may alternate pickups or come together in one car, but the split share must be collected at one time and divided off the farm. All split shares are subject to YSF approval. The Sharing Fee is charged so YSF can provide more of certain single items that are not readily divided. Split Shares are planned for up to five people.
