

Yellow Stonehouse Farm's 2022 January Health & February Celebrations Vegetable Baskets

Yellow Stonehouse Farm is happy to present an additional two months of locally grown and organic vegetables and specialty product in two new baskets. These baskets incorporate carefully designed recipes that include healthy locally grown and organic vegetables, fruits, herbs and aromatics to make the most of the approximately 50 pounds of organic vegetables filling your basket

A unique addition to every basket are Yellow Stonehouse Farm's own farm crafted spice mixes and teas. Designed to support health & Immunity during the Cold months to ward off colds & flue.

Recipes are provided to create delicious warming stews and soups plus fun foods for celebrating special events like the Super Bowl and Valentines Day.

Here is a sample of recipes for January & February that might be provided for your enjoyment during the cold winter months.
