JOINING YELLOWSTONEHOUSE FARM'S CSA
Local community members will "share in the harvest" by paying a CSA share membership pledge fee up front to cover annual expenses. In return, members collect a share of freshly grown local produce and additional pick- your- own crops as available. Shareholders are partners with the farmer in growing food for the community.

SUSTAINABLE ORGANIC AGRICULTURE: At Yellow Stonehouse Farm, we are committed to growing food organically and in ways that care for and protect the total ecosystem: its flora and fauna, cropland, hedge rows, woods, rivers and streams. We care for all the aspects of the farm and the endangered species that live on it. Through balanced crop rotations, strict composting and cover cropping, we work to preserve and protect important land for future generations. As a USDA Certified Organic Farm, we follow Organic practices, and do not spray chemical fertilizers, herbicides, or insecticides.

PICK-UP SCHEDULE: For the Winter CSA Farm-share, November to February, members will pick-up their share of vegetables on either Friday 3pm to 6:30pm, or Saturday 9 am to 1 pm.

Shares not picked up on the selected day and for which no arrangements have been made, may be donated to local area charities or groups.

All credit card payments will include a 3% processing fee.
